James Halliday, September 2011

Wine of the Week

“Deep inky appearance with pungent aromas of vanillan oak, sweet spice and chocolate, typical Barossa intensity. Rich full bodied wine with black cherry and lavish black-forest chocolate flavours. Supple soft tannins make this wine instantly appealing”.

The Australian Wine Guide, September 2011

“My favourite wine of the flight. A huge nose with pea, straw, tar, cedar and blackcurrant. Fantastic. Balanced power with a bell like purity of fruit and truly varietal Cabernet Sauvignon. The flavours in the tail of the wine and the food ended up truly complement each other”.

Mark Robertson,

Sydney International Wine Competition 2012

“A big ripe Cabernet Sauvignon nose. A dark berry palate. A very dense wine with rich ripe tannin. Soft sweet mid palate. It goes well with the lamb. Lots of layers of flavour coming through”.

Brent Marris,
