2010 KALLESKE MOPPA SHIRAZ

TROPHY - 'Best Wine of Show'

Gold Medal + Top Shiraz

Shanghai International Wine Challenge 2011, May 2011

"Stylish and seamlessly balanced wine with some solid, spicy varietal fruit, loads of flavour and grippy tannins. Very lengthy palate"

Winestate Magazine, November/December 2011

Winsor's Wines of the Week

"THE Kalleske family has been growing grapes near the Barossa Valley village of Greenock since 1853. The current generation, Troy and Tony Kalleske, have moved from grape growing to winemaking with conspicuous success producing a range of outstanding red wines. This is a lip-smackingly good Shiraz from vineyards at Moppa, with a smidgen of Viognier and Petit Verdot added for lift and brightness. It's a juicy, complex but very drinkable red with excellent tannin structure that would be a hit with rich red meat dishes"

Winsor Dobbin, Sunday Examiner - Tasmania, 1/01/2012

9/10 - Simply Outstanding

"Oh, now this is a seriously good drop. So smooth and yet so clean and full-bodied...the Moppa Shiraz features grapes sourced entirely from Kalleske's famous farm and vineyard in the Barossa. Balance and body throughout".
Cameron Best, Geelong Advertiser, September 15th 2011

"Top drawer Barossa Valley red bounded by layers of intense spicy flavours".

John Fordham, Sydney Sunday Telegraph, 11/12/2011
