## Moppa

In 1853 our Kalleske farm and vineyard was established at Moppa, a small sub-district of Greenock in the Barossa's North-West. The Moppa district was a flourishing settlement of pioneering farming families and gold miners. There were few schools in the region, so local parents established the Moppa Public School in 1873 to give their children a formal education. Located on our Kalleske property, generations of the Kalleske family attended this school until its closure in 1935. Sourced entirely from our Kalleske Moppa vineyard, a trace of Petit Verdot and Viognier has been added to this Shiraz giving it a contemporary edge. This is a genuine hand made wine that's been grown, vintaged and matured on our Kalleske estate.
