Buckboard

Our Kalleske vineyard and farm was established at Greenock in the Barossa's North-West in 1853. For more than a century, the horse drawn 'buckboard' was indispensable on the farm. The buckboard buggy transported not only people but hauled produce and supplies to and from the farm, including countless loads of grapes. In the mid 1900s the horse was replaced with a motor and then the buckboard further evolved into a flat bed truck and eventually to the modern ute. Buckboard Durif is a single vineyard wine that's been grown, vintaged and matured on our Kalleske property. Vigilant grapegrowing, traditional winemaking and maturation in new and seasoned American oak barrels has resulted in a powerful, full-bodied wine of great flavour and intensity.
