## Fordson

In 1853, the Kalleske vineyard and farm was established at Greenock in the Barossa's North-West. For 97 years horses were used to work the vineyard and land. This changed in 1950 when a new type of horse-power arrived on the property, a 'Fordson' Major tractor. The Fordson soon became a valuable and integral part of vineyard and farm activities. Fordson Zinfandel (*a.k.a. Primitivo*) is a single vineyard wine that's grown, vintaged and matured on the Kalleske property. Vigilant grapegrowing combined with traditional winemaking and maturation in seasoned French and American oak barrels has resulted in a flavoursome varietal Zinfandel displaying classic structure and richness typical of the Kalleske vineyard.
