## 2017 KALLESKE FLORENTINE CHENIN BLANC

*Plenty of lifted fruit smells: apples, pears and a hint of tropical passion fruit. With white pepper and cardamon spice for seasoning. Bright texture and flavour profile with some youthful sweet tropical fruit esters and tangy pome fruit. There's a touch of brine to partner the sharp acidity at the finish, so matching with a chicken and leek pie wouldn't hurt.*  
**Regan Drew, Vinonotebook.com , June 2017**

### **90 points**

*Estery banana aromas lead into a crisp, well-powered palate offering fresh fruit galore. You'd hook into this without any problem. Apple, stonefruit, nashi pear and citrus. Good sense of 'body' without sacrificing any momentum. It's been released too young but it's a good release.*

**Campbell Mattison, The Wine Front, May 2017**

*This wine is 100% Organic / Biodynamic as certified by Australian Certified Organic.*
