*"Clean, pure, complex and compelling. The spice, the fruitcake, the boldness of blackberry, the wonderful purity of it. Worth every cent of the asking price, and then some".*

Halliday Wine Companion 2017

*"We used to call this style of wine Vintage Port, where the fortified shiraz from a single year is bottled sooner and matures within, rather than ageing in casks. The result is that the wine – this from the Barossa – holds its vibrant dark purple as well as its black cherry, prune and chocolate syrup-like aromas with similar thick, rich flavours to follow, the spirit with a note of brandy in the finish. Sip by a fire with spiced speculaas biscuits".*

## 2015 KALLESKE JMK SHIRAZ VP

*"Inky purple colour with ripe plum, tar and prune aromas lifted by aromatic spirit. Perfectly balanced palate with spicy fruit flavours, firm tannins and perfect level of acidity".*

**Winestate Magazine, May/June 2016**

*"It's dark mauve-violet in colour with a sweet and warming mouthfeel from the spirit, plus lashings of blackberry fruit flavour".*

**Drinks Trade Magazine issue 59, July/August 2017**

*"Very Complete and balanced. Fruit weight is long and refined with a crisp cleanse of spirit at the finish. Beautiful".*

Only 4 featured in the Fortified Wines and Vermouths category.
