

**2002 KALLESKE OLD VINE GRENACHE**

Old Vine Grenache is produced in South Australia's Barossa Valley, by the Kalleske family who have been farming and growing grapes since the 1800's. It is a genuine estate wine - grown, vintaged and matured on the Kalleske estate at Greenock.

*Growing Season:*

The 2002 growing season began with good winter and early spring rains and was followed by a cooler than average summer, with temperatures rarely exceeding 30 degrees celsius. This was followed by a dry autumn with warm days and cool nights providing ideal ripening conditions allowing good flavour and colour development.

*Vineyard:*

Old Vine Grenache is made from a single vineyard planted in 1935 as bush vines on the Kalleske farm at Greenock in the Barossa Valley's North-West. The vineyard soil is shallow sand with light clay subsoil and the grapes are entirely dry-grown ensuring intensely flavoured fruit.

*Winemaking:*

Harvest Date: 25th April 2002

Harvest Baume: 15.2 (27.4 Brix)

Following hand picking, grapes were destemmed into open-top fermenters. The cool growing season provided excellent natural acidity with acid additions not required. The must was warmly fermented using native yeast, with temperatures reaching up to 32 degrees celsius. Gentle hand pumpovers were carried out twice a day for flavour and colour extraction. After a 10 day fermentation on skins the must was basket pressed at 0.5 baume with fermentation completing in barrel. The wine was matured in old American oak hogsheads for 22 months prior to bottling. An intense, rich and robust Barossa Grenache.

*Tasting Notes:*

The wine is deep purple-red in colour.

On the nose there are enticing aromas of exotic fruits and spice with a touch of mint.

These exotic fruit flavours continue to the palate which is soft and velvety with very ripe rich fruit. The palate is well-balanced and very lengthy.

A very rich Barossa Valley Grenache which will benefit from cellaring.

**2002 KALLESKE OLD VINE GRENACHE**

Reviews:

*"Kalleske 2002 Old Vine Grenache... Dark ruby garnet color. Loaded with clove, licorice and vanilla to accent its big raspberry and dark cherry nose, the combination of fruit, spices and toast is intoxicating. In fact, there's almost a brandied fruitcake quality to the nose. Off-sweet mouthfeel, lots of smooth - almost jammy fruit, and a very long finish, and fascinating aftertaste. This was being touted as the next big thing. Just might be. Of course they'll need a nickname for it.*
