## 2009 KALLESKE BUCKBOARD DURIF

### Gold Medal

*MUNDUS vini Der Grosse International Weinpreis  
September 2011*

### 92 Points

*“This is black as night in the glass, and you need to summon up all your red wine courage here! Durif is no shrinking violet, and this is one whopper of a wine. Coconut-scented oak sits up over deeply ripe plum-cake and pudding aromas, and spices get a good airing. The palate’s... well, massive below essence-like depth. Chocolate might just work as a match”.*

**Nick Stock – Good Wine Guide 2012**

*Buckboard Durif 2009 is deep inky black in colour. Aromatics jump from the glass with flavours of chocolate, cinnamon and clove spice, dark plum, licorice and vanilla. The palate is equally as dark and black as the colour - big, rich, very full-bodied and intense. This is an extremely generous and powerful wine with solid concentration and a very long finish.*
