## 2012 KALLESKE GREENOCK SHIRAZ

### Gold Medal

2014 Berlin Wine Trophy

### 96 Points

*"From the family Greenock vineyard, here with sixth and seventh generations involved; like all the Kalleske Shirazs, open-fermented; matured for 18 months in American and French hogsheads (30% new). The fragrant bouquet announces a supple and silky medium to full-bodied palate with a very complex array of red and black fruits, multi-spices, and fine-grained tannins. Exemplary length and balance".*
