Winestate Barossa & Eden Valley Wine Show 2017

96 Points ★★★★★

“Shares the bright colour of Eduard, but both the bouquet and palates move onto another dimension of complexity and power. Don't be alarmed, the wine is a very good example of ancestor vine shiraz (planted 1875) that has been given its head in the winery. It has a full-bodied palate, augmented it's true, by abundant ripe tannis, nut they will settle down quickl, leaving the blackberry and plum fruit free room to play in.”
