## 2015 KALLESKE GREENOCK SHIRAZ

### 95 Points

*"If this wine had the word Penfolds on the front label it would be sold at three times the price. If you like Barossa shiraz, Kalleske Greenock Shiraz should sit in the centre of your sights. Another stunner under this label. So smooth, so rich, so grunty, so substantial. It's a wine of warm, inky depths and long, fruit-drenched tannin. Vanilla cream, blackberry, saturated plums and cloves. A mouth-filling red, done terrifically well".*

### 95 Points

*"Blackberry, plum and hints of spicy oak come together well on the bouquet and palate alike. The tannins are only just evident, and the wine is no more than medium-bodied. Continues a line of attractive wines".*
