2011 KALLESKE ROSINA ROSÉ

Best Rosé of Show *Marananga Wine Show 2011*

91 Points

"...The backbone here is old-vine Grenache, and the wine really speaks about that variety: red fruit aromas in abundance, some wild herbs too. The palate's crisp, even and juicy, with tangy fresh strawberry and raspberry fruit flavours sitting right through to the balanced fresh finish. Terrific".

Nick Stock – Good Wine Guide 2012

"Never has Kalleske Rosé exuded such spicy appeal. This deeply coloured blend is bouncing with pepper, anise and mixed spice over a backdrop of greengage plums, watermelon and ripe berries. It has the exuberance to handle a stern chill and can tame the most challenging spicy cuisine".

Tyson Stelzer, Barossa Living Magazine - Autumn 2012

90 Points ★ **Special Value**

"Vivid puce-pink; from 70-year-old grenache vines, wild-fermented and partially barrel-fermented; lively, tangy red fruit pastille flavours supported by brisk acidity drive the palate".

James Halliday, Wine Companion 2013

"...It has a comparatively deep colour with sweeter berry flavours, including strawberry, coming through. The acid and the fruit are well balanced and enough complexity to make it into the higher level of rosés".

Mike Burnett, Launceston Examiner, October 5th 2011
