## 2012 KALLESKE EDUARD SHIRAZ

### Double Gold Medal

2014 China Wine & Spirits Awards

### 96 Points

*"Eduard Kalleske settled at Greenock in 1853; today the sixth generation farm the land, with vines planted between 1905 and '73 now certified biodynamic; hand-picked and matured for 2 years in hogsheads. Deeply coloured, a profound, black-fruited palate with notes of licorice and earth; full-bodied, but supple and perfectly balanced".*

**James Halliday, Australian Wine Companion 2015**

*"Peppery fruit fragrances lift off the nose with plenty of oak underneath. Great length of 'thick' savoury fruit flavours with gentle but generous tannins to carry them through".*

**Winestate Magazine, July/August 2014**

*"From low yielding vines up to a century and more old, this is a typically intense, deeply concentrated Barossa shiraz in purple/black spades delivered with a remarkable lightness of touch on a beautifully balanced and elegant, mid-weight palate, finishing long and appetisingly dry. A beauty for early decanting now or leave it for a decade and more in the cellar".*

**Graeme Phillips, Mercury, Hobart, March 18th 2014**

*"This is one for the cellar," agreed the judges. Dense fruit/oak bouquet and lovely depth of ripe fruit flavours, with some serious oak."*

**Winestate Magazine, Best Wines of 2014 - New Release**

**This wine is 100% Organic / Biodynamic  
as certified by Australian Certified Organic.**

### 94 Points

*"With more concentration than a geek lining up for a MENSA exam, this red rockets across the palate with robust ripe fruit, formidable suede tannins and a suite of oak that feels meshed firmly into fruit. It's powerful and big, but rendered so well".*

**Mike Bennie**, *Wine Business Magazine*, April 2014

### 94 Points

*"Sweet fruit but stern tannin. Killer combination. Blackberry, coal, black liquorice, exuberant mid-palate before a long, dry, emphatic finish. Big red done exceptionally well".*

**Campbell Mattinson**, *The Wine Front*

*This wine is 100% Organic / Biodynamic  
as certified by Australian Certified Organic.*
