## 2012 KALLESKE ROSINA ROSÉ

### Gold Medal

New Zealand International Wine Show 2012

*"An intricate cross hatching of Grenache, Shiraz and Viognier into a more robust style".*

**Tony Love**, Advertiser - SA Weekend, October 6th 2012

*"Here's another biodynamic vineyard wine. It comes from Barossa Grenache grapes, with small components of Shiraz and Viognier, and is watermelon-hued. It has potpourri scents and brings fresh raspberry flavour to the front of the palate. Herb and dried cranberry nuances chime in on the middle palate and the finish has flinty acid".*

**John Lewis**, Newcastle Herald, October 6th 2012

### 92 Points

*"The cherry red colour of this South Australian rose is alluring. It has been a perfect growing season for the Grenache grapes, the base of this wine, which also has shiraz and a dash of viognier. Promoted as 100 per cent organic biodynamic, this wine has a generous, lingering finish. It has flavours of raspberry and cherry and is vibrant and crisp. Enjoy with a seafood pasta".*

**Jane Howie**, Geelong Advertiser, October 11th 2012

### 8.8/10

*"This is what Thai chefs had in mind hundreds of years ago when they were developing their cuisine... Great gear for tom yum goong".*

**Max Crus**, Daily Examiner, NSW, February 2nd 201

**This wine is 100% Organic / Biodynamic  
as certified by Australian Certified Organic.**
