

2015 KALLESKE ROSINA ROSÉ

"Super dry and pale rose doesn't work with highly spicy dishes, so look for mid to darker colours like this glossy lipstick pinky that smells of cherry and raspberry lollies with a creamy sense. Its new season grenache and shiraz base plus a dash of viognier stretches to watermelon flavours as you sip, all fresh and lighthearted with sweet lifts but still edgy underneath with fresh crunch".

Tony Love, The Advertiser

94 Points

"Built around a Grenache block planted in the '40s, plus a portion of shiraz and a dash of viognier, all the vines grown on sandy soil over deep red clay. The vivid puce hue heralds a perfumed musk bouquet and a powerful, juicy palate that will stand up to the sternest food match challenge".

Halliday Wine Magazine, Dec 2016/Jan 2017

"Mostly grown on grenache vines planted in the Barossa Valley in the 1940s. Sweet, fruity, cranberried style. Laughter and lust. Raspberry and herbs. Simple but clean, pure and eminently smashable".
