## 2017 KALLESKE ROSINA ROSÉ

*"Certified organic shiraz and grenache from the Kalleske north-western/Greenock district of the Barossa, the shiraz gives this a darker colour than is the current pale-ista fashion in Rose. Don't let that deter you, as the variety also adds more structure and body to this style- without losing any vibrancy or refreshment. And with a touch more spice and richness that a lot of others miss, if your a big red drinker, you might consider this for the right seasonal occasion."*

**Tony Love, The Advertiser, August 2017**

***This wine is 100% Organic / Biodynamic  
as certified by Australian Certified Organic.***
