

2010 KALLESKE JMK SHIRAZ VP

Gold Medal

AWC Vienna International Wine Challenge 2013

★★★★★

"Will undoubtedly please newcomers, for it is in traditional Australian VP style, with sweet black fruits to the fore; if the wine had fermented further, thus drying the finish out to a degree, it could have claimed classic status. As it is, a nice drop in a seductive package".

James Halliday, Australian Wine Companion 2014

92 Points

"Big, rich, sweet style of Barossa "VP" shiraz from the folk at Kalleske. Clearly you have to enjoy the taste of lusciously sweet purple-black berries. Chocolate, saturated plums, raisins and blackberries. It's super-smooth, super sweet, super ripe. 100% delicious..."

Drink: 2013 - 2021

Campbell Mattinson, the Wine Front, March 1st 2013

"Australian fortifieds under their new labels since the forced dropping of European names like port, have become far too anonymous. Cold nights are on the way and the 2010 JMK with its rich dark fruits, fruit cake and light grape fruitiness is a fortified to keep in mind. The stylish old-style bottle also puts it in the gift category".

Mike Burnett, Launceston Examiner, April 15th 2013
