

## 2014 KALLESKE JMK SHIRAZ VP

### Double Gold Medal

2016 China Wine & Spirits Awards Best Value

### Gold Medal

Mundus Vini BioFach 2016

International Organic Wine Award, Germany

*"This is one of my favourite fortifieds and it comes from the organic Barossa Valley vineyards of the Kalleske family wine company. It is deep crimson and has fruitcake, licorice and anise scents. Lush ripe plum flavour dominates the front of the palate and glace cherry, Turkish delight, cloves and nutty oak characters chime in on the middle palate. Earthy tannins feature at the finish".*

**John Lewis, Newcastle Herald**

*"Alluring, intense and fruity – a classic Aussie style. It's tight, precise and well-matured with dark dense brooding fruit, some very classy spirit and good rancio nuttiness".*

**Winestate Magazine, Annual 2016**

*"Intense raspberry and plum syrup nose... Precise and not spirituous or hot at all. Deep red fruit flavour reminiscent of Raspberry coulis. Smooth and full... it retains the lovely structure of a well made Barossa Valley Shiraz, albeit stronger due to the fortification process. No caramel coloured old man juice here, this is bright and alive....and a bargain".*

**Regan Drew, Vinonotebook**

**This wine is 100% Organic / Biodynamic as certified by Australian Certified Organic.**

## 2014 KALLESKE JMK SHIRAZ VP

### 92 Points

*"Impressive balance and style; relatively dry and spicy, with complex fruit and oak. Seriously good. Bred to stay".*

**James Halliday**, *Australian Wine Companion 2016*

### 92 Points

*"This fortified shiraz from South Oz is rich, sweet and chest-warming with condensed plum and berry flavours. At 18 per cent alcohol and with a lovely mouth-coating liqueur-like texture this is something to sip in front of the fireplace after a hearty meal".*

**Shaun Viljoen**, *The Wine Jury*

*"The Kalleske JMK Shiraz VP 2014 is a delicious fortified shiraz, with dark fruits balanced with warming brandy spirit. Enjoy now or in decades to come".*

**Ross Noble**, *Mount Barker Courier*
