

2010 KALLESKE GREENOCK SHIRAZ

Gold Medal

MUNDUS VINI BioFach 2012

International Organic Wine Award, Germany

5 / 94 Points

"Deep, dark purple-crimson; a wine literally dripping a stream of flavours, each succeeding the other until the round robin starts again; licorice, oriental spice black fruits, mocha and much else is to be found on the bouquet and medium- to full-bodied palate; has outstanding length, augmented by savoury tannins on the finish".

James Halliday, Australian Wine Companion 2013

94 Points

"This 2010 is clearly a good vintage for Kalleske shiraz. It seems settled and pure. It tastes of blackberries and sweet cherries, spicy/toasty oak and roses. It seems bright and lifted, not too warm but not at all light. It's a modern, fruit-pure expression of Barossa shiraz – with fine, lacy tannin in support. I suspect that this will mature well for a very long time". **Drink: 2016 - 2023+**

Campbell Mattinson, the Wine Front, November 2011

"For lovers of big wines this is a ripe monster of a style – warm and rich with dense, earthy, chocolaty, prune characters and charry oak".

Winestate Magazine, March/April 2012

"POWERFULLY flavoured Barossa red with long cellaring future".

John Fordham, Sunday Telegraph, April 4th 2012

**This wine is 100% Organic / Biodynamic
as certified by Australian Certified Organic.**
