Australian Wine Vintages 31st Edition 2014

Robert Geddes MW

"AN EXCELLENT full-bodied and complex single vineyard shiraz underlines attention to detail in the vineyard... a biodynamic wine that reflects its region of origin and is a true family estate wine - grown, vintaged and matured on the Kalleske estate. This is a dark, earthy wine that spent 18 months in oak hogsheads but is beautifully balanced".

Winsor Dobbin, Sunday Examiner, December 30th 2012

"...delicately put together. It's Kalleske meets the season: tarry fruit with a nutty overlay, a violetty lift and then a salty, spicy finish. Spicy and more savoury than usual, but the fruit still has a beefiness.

Campbell Mattinson, the Wine Front, November 14th 2012

"The Barossa Valley wines which produce this shiraz come from cuttings of vines that date back to the late 1800s. Deep, rich and chock full of dark berry and chocolate flavours, accompanied by the delightful peppery notes of a good shiraz, it's like a velvety fruit cake and hits the spot in terms of taste and price".

Cameron Best, Geelong Advertiser, December 6th 2012
