2012 KALLESKE DODGER TEMPRANILLO

Gold Medal

2014 Berlin Wine Trophy

TROPHY

Best other Red Varietal Wine of Show.

2013 Marananga Wine Show

TROPHY

Best Alternative or Emerging Wine of Show.

2013 Marananga Wine Show

94 Points

"Estate-grown young vines have produced the goods, with a generous helping of red and black cherry fruit in a supple framework of tannins providing excellent balance. A vintage to remember for the Kalleskes. Drink to 2020".

James Halliday, *Australian Wine Companion* 2015, August 2014

"Earthy, spicy and leathery on the nose with a dark rich savoury fruit palate wrapped in chewy tannins with a good acid balance".

Winestate Magazine, *Best Wines of 2014 - Style Tastings*

92 Points

"Biodynamically grown tempranillo from a single vineyard in the Barossa Valley. Wild fermented. Well balanced wine. Well ripened. Fresh. Framed by fine-grained tannin. And with suggestions of complexity to come. Excellent release from Kalleske in a medium-bodied style. Flavours of black cherry, dried tobacco, blackberry and herbs. For all its dark fruit flavour it remains juicy and vibrant all the way through the finish". **Drink:** 2016 – 2022

Campbell Mattinson, *The Wine Front*, January 8th

2012 KALLESKE DODGER TEMPRANILLO

"Inky red colour with appetising aromas of dark cherries and spices, the palate soft, rounded and mid-weight with a spicy, sarsaparilla-like savouriness and firm drying tannins at the end, making for an excellent and versatile food wine".

Graeme Phillips, Sunday Tasmanian, December 15th 2013

"Showing cherry cola and sarsaparilla aromas and flavours that seem to be dictionary definition of the variety – but fine, dusty tannins finish the wine, lending more seriousness than joven counterparts. The ultimate BBQ fare".

Mike Bennie, WBM Magazine, March 2014

This wine is 100% Organic / Biodynamic as certified by Australian Certified Organic.
