Best Other Red Varietal Wine of Show

2014 Marananga Wine Show

TROPHY

Best Alternative Wine of Show

2014 Marananga Wine Show

92 Points

"A great vintage but the yields were very low due to the vineyard receiving half the normal growing season rainfall. There are bright and rich blackberry and cherry aromas, herbs and some leather-like notes. The aromas flow through to the palate with the balance of spice and fruit flavours blending well and the tannins chewy, adding to the complex texture. The finish is on the dry side. A great value red."

Brett Smith, *Geelong Advertiser*, October 24th 2014

"Pleasing wine. Fruit-driven. Purple, lively, all plum and raspberry with modest doses of toasty, sawdusty oak in support. Smells and tastes good. Alcohol is well in check. Almost has a water-based feel to it. Fluid. Good drinking."

Campbell Mattinson, *The Wine Front*, August 1st 2014
