2013 KALLESKE MOPPA SHIRAZ

Gold Medal

2014 China Wine & Spirits Awards

95 Points

"It's alive with flavour and scent. There's certainly nothing shy or dull about the fruit here. Purple-black, dark berried, toasty, slightly spicy. Incredibly fresh and juicy and yet the tannin profile has not been compromised. Biodynamically grown, and beautifully packaged".

Campbell Mattinson, Australian Wine Companion

★★★★★

"Very attractive lifted sweet ripe fruit bouquet and a beautifully stylish palate showing an excellent core of varietal fruit layered with some great oak and grippy tannins".

Winestate Magazine, Annual 2016

92 Points

"Black fruit with tar, chocolate and a perfumed top note. Full bodied, smooth with plenty of fine grained open tannin, fleshy feel, chocolate and roses with some salted beef coming through on the finish. Plenty of wine here. Hard to imagine fanciers of bold Barossa Shiraz not being happy with this wine".

Gary Walsh, The Wine Front

★★★★★

"It's a big, concentrated 14.5 per cent alcohol potion, inky purple in the glass and with scents of fruitcake and nutmeg. Powerful blackcurrant flavours rolls onto the front palate, candied cherry, anise, cinnamon and hazel-nutty oak chime in on the middle palate and the finish has minty tannins".

John Lewis, Newcastle Herald

This wine is 100% Organic / Biodynamic as certified by Australian Certified Organic.
