2013 KALLESKE OLD VINE GRENACHE

Gold Medal

2014 China Wine & Spirits Awards

5 Gold Star Wine

“Recognising that it is among the elite of Australia’s wines thanks to the vignerons and winemaker’s abilities. The wine shows flavours with balance, flavour, complexity, intensity and freshness and the ability to improve in bottle. Wines with five gold stars can be served with pride in the company of the world’s best wines”.

Robert Geddes, Australian Wine Vintages 2015

94 Points

“There’s spice, floral and dark berry characters on the nose of this Barossa red sourced from vines planted in 1935. The rich palate with its dark berry and licorice is backed up by grainy tannins and restrained oak”.

Mike Frost, Courier Mail, Brisbane

94 Points

“Substantial grenache. Silken fruit before grainy, nutty, coffeed tannin asserts itself. Fruit (just) maintains its freshness, despite the high alcohol. Lunge of flavour/tannin through the finish is the decisive point”.

James Halliday, Australian Wine Companion 2016

2013 KALLESKE OLD VINE GRENACHE

93 Points

“Super grenache. Carries its alcohol very well. Grunty, nutty tannin. Flavours of raspberry and plum, clove and coffee. Bright and sweet-fruited but unafraid of tannin”.

Campbell Mattinson, The Wine Front

93 Points

“Inviting aromas of raspberries, sweet spice and musk from this Barossa Valley red. There’s a shift on the palate to flavours of cherry and licorice, which fill the mouth along with herb qualities similar to sage and oak, thanks to its 18 months on American and French oak. The finish is impressive and lingers with grainy tannins. A well-balanced wine that has youthfulness now, but would age handsomely”.

Brett Smith, Wine Jury, Geelong Advertiser

“Sourced from the oldest Kalleske Grenache plantings (1935), the wine might show the typical Greenock poise of a full-flavoured, rich, smooth, generous and mouth-filling red, but there’s a brisk trim of acidity that cools the ripeness and the wine sits high and long on the palate”.
