

2018 KALLESKE BUCKBOARD DURIF

91 Points

"You want flavour?"

This delivers it in spades. Sweet flavour. Sawdust, raspberry, toffee apples, saturated plum. It's an overflowing wine, a puppy dog, so eager. It's clean as a whistle. It's been done well."

"Massively concentrated, dense purple colour, which stains the glass. Raw, infantile banana and cherry-essence aromas, undeveloped and primal. The palate is deep, dense, very full-bodied. Very tannic and massively proportioned. Blackberry jam and blackcurrant jam. Lush and profound; chewy tannins. Very good in a body-slammer style."

"A bold super dense style with a chocolaty blackberry bouquet and fleshy red fruit flavours showing through the black cherry fruit characters. Ripe tannins"
