

## 2015 KALLESKE ZEITGEIST SHIRAZ

### 92 Points

*"From certified biodynamic grapes and wild fermented on skins for seven to ten days. From there, no maturation, no oak, no sulphites. Fresh and young Barossa shiraz. Uninhibited dark fruit aromas, with some sweet fruitcake and floral notes. Blackberry and blueberry flavours are rich and juicy on the palate, but there's also nice bit-part roles from violets and subtle aniseed. The blueberry and violet flavours combine well to help this shiraz stand out. Impressive flavours, structure and complexity".*

**Brett Smith, Geelong Advertiser**

### 90 Points

*"Wild yeast fermented Barossa shiraz, straight into stainless steel, no oak, bottled without sulphur dioxide. Certified biodynamic. Fresh as they come. Not long since it was still growing on the vine. The appeal is easy to see. It's so young and vibrant. Blueberry and blackberry, violet and aniseed. It offers fistfuls of delicious, vibrant, juicy fruit, nothing more, nothing less. It's incredibly more-ish".*
