

## 2016 KALLESKE ZEITGEIST SHIRAZ

### 90 Points

*"Kalleske has shown some great form in recent years, especially with the quiet (r)evolution of wine styles and experimental wines being released. This Zeitgeist shiraz has offered up a pure, sulphur/preservative free, youthful expression over the past few years. Here it is again, natural ferment, short time on skins, no oak, from biodynamic grapes. Old school, new school winemaking. I imagine there was a raft of wines like this in the ye olde days of the Barossa, read to drink ala mode. Slosky, soupy-textured wine of dark berry fruitiness, gentle sweetness, whiff of herbs and earths. Potent perfume of berry compote, slick ripe berry fruit to taste, clean, juicy finish lingers with sour-sweet feel. It's gluggable, slurpy stuff that beckons the drinker back in with urgency. Yum".*
