

2018 KALLESKE ZEITGEIST SHIRAZ

90 Points

"An ultra-soft, fleshy wine with an extraordinary intensity of flavour. It is highly sweet-fruited with blackberry juice and cherry jam flavours. The grapes are grown biodynamically and the wine undergoes a wild ferment and sees no oak maturation. Zero sulphites are added. An individual wine which will please lovers of primary, luscious, bold and fruity wines."

Toni Paterson MW, *The Real Review*, 11 August 2018

90 Points

"Deep, dense purple/blue colour, with a similarly infantile, fruity aroma and flavour. Elements of violets and aniseed; bold, bright and beautiful. The wine doesn't pretend to be mellow, mature or complex, but it is what it is. Freshly-fermented shiraz grapes, in all their glory. And an outstanding example thereof. Soft tannins; rich, concentrated and deep, and no preservatives."

Huon Hooke, *The Real Review*, 28 September 2018

"Wild yeast, open fermented, no oak- Made for todays "Now Crowd" rearing to go. Masses of bright purple colour,plums & stewed fruit with a hint of cloves on the bouquet. Smooth,deep rich flavours with plenty of juicy fruit and a elegant fruity finish. Will keep but OH SO GREAT RIGHT NOW!!!"

Dan Traucki, *Wine Assist*, July 2018

"This shiraz ticks all the barbecued boxes: magnificent saturated colour, barrowloads of blackberry fruit, rich, supple, steak-friendly tannin. No need to tell anyone it's also biodynamic and preservativefree. Just geddit innya, mate."

Max Allen, *Gourmet Traveller*, December 2018
