## 2011 KALLESKE JOHANN GEORG SHIRAZ

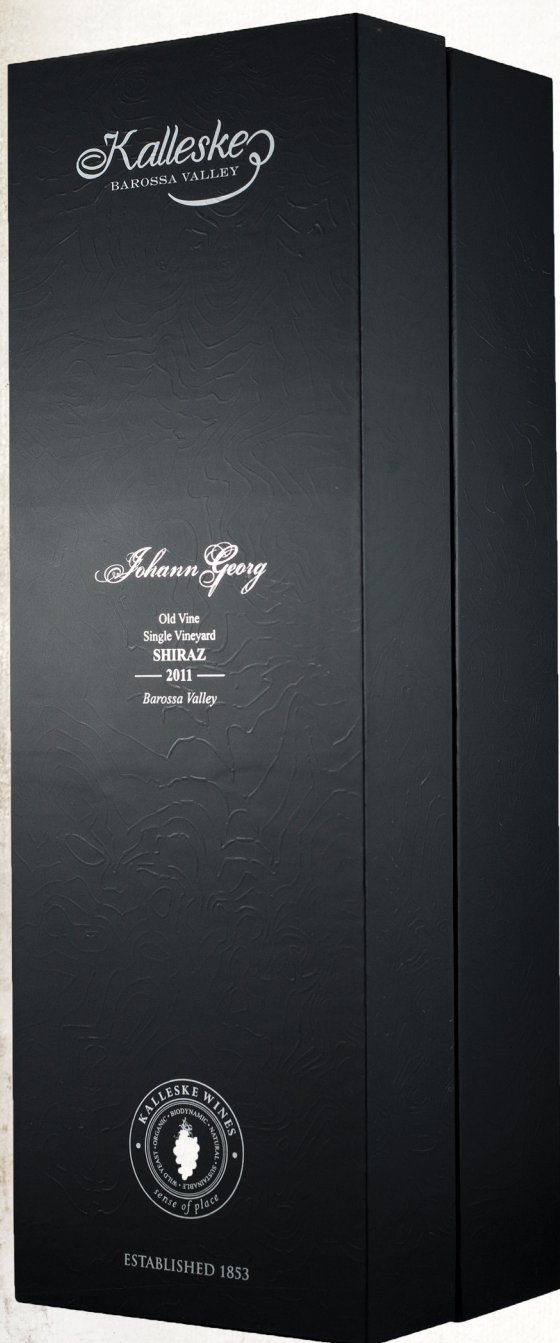

*“THIS is the flagship of the Kalleske family’s Barossa Valley operation and it’s a feast of a red that weighs in at 14.5 per cent alcohol. It is inky purple and has scents of cassis, bay leaf and dried cranberries. Lush, ripe black plum flavour rolls onto the front of the palate and blackcurrant, licorice and peppermint chocolate fruit characters marry with cedary oak on the middle palate. Dusty tannins come through at the finish”.*

**John Lewis, May 28th 2014**

### **Excellent Classification: Langton’s Classification of Australian Wine**

*“The family of first-generation settler Johann Georg Kalleske Shiraz established a mixed farm at Greenock in 1853... The substantial, 120-acre vineyard, organic and biodynamic, with an average vine age of 50 years, is now regarded as one of the region’s great ‘grower’ vineyards. It has been a key source for many extraordinary Australian wines, including Penfolds Grange... The ‘ancestor vines’ (aged 125+ years) are hand-pruned and hand-harvested... The rich and voluminous Johann Georg Shiraz is a classic Barossa style with dark berry and dark chocolate aromas and flavours, dense chocolaty tannins and underlying mocha oak”.*
