James Halliday, Australian Wine Companion 2014

"Herbal cabernet from a cool year. Single vineyard... Excellent balance and 'flow' through the mouth. Juicy. Tangy. Boysenberry and blackcurrant. Ashen, dusty, vegetal aromatics. Charming wine in a light-to-medium bodied manner". **Drink: 2012 – 2017**

"Every now and then it's fine to grab something that reminds you of winter cosiness – Smooth, dark and warm – and this cabernet sauvignon by Kalleske is ideal. It's classy, from top to bottom. Deep blackberry colour and taste, with a bit of cinnamon. This is ideal to drink now, even in the summer, or hold on to it for up to 10 years."

Alison McAdam, Geelong Advertiser. January 3rd 2013
