

2012 KALLESKE MERCHANT CABERNET SAUVIGNON

93+ Points

"Dark chocolate and liquorice, mint, black fruit, earth and a modest amount of spicy nougat oak in support. Full bodied, flush and sweetly fruited, but earthy and loaded with dark bitter chocolate too. Really like the chewy grape skin tannin in this wine – gives it grunt and a sense of seriousness. Long. Impressive".

Gary Walsh, *The Wine Front*, April 28th 2014

"Captivating blackberry nose with forest floor, earthy elements. Rich palate with lots going on, heaps of tannins and attractive sweet varietal fruit".

Winestate Magazine, *Best Wines of 2014 - Style Tastings*

"Impenetrable black/purple, the nose with mint, mulberries and herbal notes, the palate more savoury and juicy with rich mint, ripe plum and tart blackcurrant flavours, subtle oak and firm, drying tannins. Again a flavoursome, good-value drop".

Graeme Phillips, *Mercury*, Hobart, March 18th 2014

"... It has an intense red-purple colour and a smooth licorice taste. It's powerful but controlled and can be drunk now or any autumn in the next decade".

Alison McAdam, *Geelong Advertiser*, April 10th 2014

"Huge rich chocolaty nose and old-style palate with intense fruit flavours and massive tannins".
