## 2014 KALLESKE MERCHANT CABERNET SAUVIGNON

### Adelaide Review Hot 100 SA Wines 2015/2016

*"Fennel and smoked meats overlay dark primary fruit. Acidity is bang on. Lovely restraint and balance".*

*"The Kalleske farm at Greenock in the north-west Barossa Valley was established by Johann Georg Kalleske after migrating from Prussia in 1838. He was a merchant and miller and so is Kym Kalleske seven generations later, while his brothers Troy and Tony look after the vines and winemaking. Some of the vines are of a century-plus. The Kalleske Merchant Single Vineyard Barossa Valley Cabernet Sauvignon 2014 is from hand pruned vines and the excellent harvest was also in Kym's care. It is full bodied and fruity with great depth and length on the palate".*

**Ross Noble, The Courier**

### 90 Points

*"Fruit-filled but raw. Dark berried fruit tumbles through the palate like a minor avalanche. Tannin applies the brakes but the fruit just keeps rolling on. Boysenberry notes brighten the rush of blackcurrant. Raspberry notes, sweet and concentrated, appear in their place. All about the fruit. And tannin".*
