## 2012 KALLESKE CLARRY'S GSM

★★★★★

*"Deep purple-crimson; biodynamically estate-grown blocks of the three varieties have produced a delicious medium-bodied wine, deliberately aged in used oak hogsheads for six months to focus all the attention on the opulent array of red and black cherry, raspberry and blackberry fruit. This vintage was great... Exceptional value"*

### The Adelaide Review Hot 100 SA Wines 2013

*"Bright Purple glares at you from the glass. Plush blackcurrant tones bounce forth supported by an underlying spice of nutmeg and mace. It's like a silk shawl winding long around the winding contours of your shoulders and neck"*

### ★★★★★ TOP 25 AUSTRALIAN WINES UNDER \$25

*"The previous 2011 release of this wine was named the international biodynamic wine of the year at the International Wine Challenge in the UK. Here, fresh and bouncy, is the latest GSM release – red berry juicy and sweet, exotic, spicy, pure and simply slurpy, and blended with great clarity for easy drinking"*

### BEST OF THE BAROSSA - TOP 100 WINES

*"An early sign of the greatness of 2012 for Barossa Reds, this brilliant rendition of Clarry's harmonises the raspberries and mixed spice of Grenache with the deep black fruits, liquorice and pepper of Shiraz, and the earthy, savoury undertones of Mataro. Firm, finely textured tannins hold everything neatly in place"*

## 2012 KALLESKE CLARRY'S GSM

### RAY JORDAN'S TOP 100 AUSTRALIAN REDS

*"Bursting with savoury fruit, this is an excellent release from the 2012 vintage. Beautiful, perfumed spicy notes on the nose with lots of black fruits and a touch of raspberry confection. The palate is textured with a juicy fleshiness that is so appealing. Scrumptious, with minimal oak influence from the very old hogshead maturation process".*

**Ray Jordan**, the West Australian June 27th 2013

### THE BEST SUMMER WINES FOR \$25 OR LESS

*"This rich –purple fruit-saturated grenache blend is the Barossa's answer to Beaujolais – with the volume knobs turned all the way up to 11".*

**Max Allen**, Gourmet Traveller Wine, January 2013

*"... And it tastes? Right in the groove. Grenache feels dominant. Raspberry, cranberry, cloves and loamy, sandy, earthen notes... Bright, bouncy, lipsmacking red. Oozes Barossa".* **Drink:** 2013 – 2017

**Campbell Mattinson**, the Wine Front, November 14th 2012

*"... the standout to me was Clarry's GSM... it has superb juicy red fruits. There are savoury notes, too, along with a little spice while the finish is velvety and refined. It's seen a little oak but it was all large format older barrels and only for six months. This is a far cry from the Barossa wines of old where oak dominated and the tannins were heavy. Clarry's GSM is a sublime expression of the dense fruit flavours of the Barossa without the taint of too much wood.... A few bottles tucked away in the cellar would be a wise investment, too. The Kalleske family rate the 2012 vintage as one of their best yet and, judging from the quality of their GSM, I couldn't agree more".*
