**2013 KALLESKE CLARRY'S GSM**

**96 Points**

*"All organically estate-grown... Full crimson-purple, marvellously rich and complete, with a plush array of red and black fruits with some chocolate and fruitcake, plus perfectly pitched tannins. One of the great all-time bargains". Drink by: 2025.*

**James Halliday, March 27th 2014**

*"A powerful and intense style, with spicy /peppery fruit aromas and big, robust, chocolaty flavours on the long and lingering palate, with its excellent tannin structure".*

**Winestate Magazine, December 2013**

*"There's a fistful of producers in this wide, brown land who have a knack for nailing the drinkability of red blends in a just-so way that sort of surpasses the blend and just makes for a reveller's good time drink of joy and slurpability; and then they price accordingly fairly. One such I think of is Kalleske and this Clarry's GSM blend. Couple in the heavyweight, sexy, old school bottle and one of the finest looking screwcaps going around, and you've pretty much got a complete package for a 'lobster', at full price... it's a good year for Clarry's because it's showing some cool restraint. Sweetness is high, but so is spice and a lemony twinge of acidity that keeps the wine perky and fresh, and better yet, medium bodied. It glides effortlessly across the palate, a total guzzler that, dare I say lest the wrath of the Barossa old, you could almost knock a chill into and enjoy. Texture is almost crunchy though it's glossy too. Joy! Simple things..."*

## 2013 KALLESKE CLARRY'S GSM

*"Nose rich with stewed fruit; a hint of leafiness and some licorice complexity. Very attractive silky smooth palate loaded with sweet dark fruit and powerful tannins"*

**Winestate Magazine, Best Wines of 2014 - Style Tastings**

### 92 Points

*"If this is what the Barossa reds of 2013 are all about then I'm in. Soft and supple with delicious fleshy slightly savoury spicy plum fruit flavours. Lots of plum-dominant, fruit-cake characters with fine powdery tannins and a splash of oak that allows the fruit to play its game"*

**Ray Jordan, West Australian, February 20th 2014**

*"Deep purple wine with lifted floral/perfume bouquet and attractive red and black fruit flavours. Lovely, fresh and vibrant with good length of chewy tannins"*

**Winestate Magazine, Best Wines of 2014 - South Australia**

*"A down to earth true-blue regional north-west Barossan Grenache, Shiraz and Mataro blend. It smacks of grape flesh, rare meats and plenty of rustic tannin grip to handle the big bush cook-up, with spicy chops and sausages ready to go"*

**Tony Love, Daily Telegraph, January 31st 2014**

## 2013 KALLESKE CLARRY'S GSM

### 93 Points

*"This year's vintage comes from a low yield after a dry season, but the fruit quality remained high. There are intense aromas from the glass, including fruitcake, which kicks the tastebuds into overdrive. Juicy, dense fruit flavours, with cherry initially, a little musk and a smooth balance and finish. Briefly aged in old oak hogsheads for six months. Throw into the mix some chalky tannins for complexity and it's a well-rounded wine that has an opulent feel without the price tag".*

**Brett Smith, Geelong Advertiser, January 2nd 2014**

*"It is purplish black, with fruit cake and spicy aromas leading to a juicy palate with delicious, mouthfilling flavours over great length. Roast chicken proved a perfect partner".*  
**Mt Barker Courier, January 28th 2015**
